Maths Skills Streaming

This term sees us bring 6 months of planning into a daily reality for the students of our school. Based on the success of our Literacy Skills Streaming Lessons, we have proposed as part of our 2014 Great Results Guarantee (GRG), that we use this same strategy to improve our school’s Maths results.

All students from years P-7 have undergone a diagnostic assessment to place them into a Key Understanding Level (Beginning, Middle, Later) This level is based on ability to understand the concepts associated with number, fraction, operation and patterning. Students will then go through 5 week cycles of explicit teaching to build and strengthen each students basic skills. After this 5 week cycle, students will be further assessed for progression to another group or do a repeat of the previous cycle.

Our Maths Skills Streaming lesson take place from 11:45-12:30 each day.

Murphy’s Creek Challenge

Name this cricketer?

The photo on the right show our school’s entry into the Gatton Show. The display box shows samples of our produce, grown through our Learn & Grow project. A very special thank you needs to be extended to Mrs Butler and Mrs Trost, who put in many hours of care to ensure best growth, created the display and delivered the box to the show. The box is decorated with our stories and photographs of the students working with the plants.

Register to use Out of School Hours Care (OSHC) on-line by following this link:
Our students of the week for week 1 are, Daniel Gotz, Molly Wilson, Marnie Sheehan and from last term, Niki Cook.

Make every day count in 2014

Our Goal 95% attendance
This week is a 94.4%
Attendance week!

Playgroup
9am each Monday during the school term
Bring a hat, water bottle & a snack.
All Welcome!

Tuckshop

Tuckshop will return next Friday. Please have your orders placed by Wednesday and use the most recent menu as your guide.

I would like to thanks Karen Rose, Linette Peachey and Meegan Wilson for volunteering to take on this much loved service at our school.

Reminders:
- Please ask your children if they need additional glue and erasers
- Craft and modelling starts again next week (24th July)

SWPBS News

Each classroom is enjoying the rebranding of our 4 school expectations. We have a dynamic city scape supporting examples of our expected behaviours.

We have a very special super hero with a very special cape, showing his super skills of:
Be respectful—Be responsible—Be safe—Be resilient

With these skills everyone can battle bad forces!

Students of the Week

Our students of the week for week 1 are, Daniel Gotz, Molly Wilson, Marnie Sheehan and from last term, Niki Cook.

MURPHYS CREEK MARKETS
