Athletics Carnival

On Friday, 1st August we will be having our Murphy V Leslie Inter-house Athletics Carnival. This year, as we did last year, all students are involved and all compete in the track & field events.

So we can get through all the events, we will have the High jump event on Monday, 28th July. Parents are welcome to attend this High jump event from 9am, starting with the 13-11 year olds, 5-8 year olds and then 9-10 year olds.

On Friday, all students born in 2001-2005 will be competing in all seven events for house points and Age Champion in each age group. Students born in 2006-2009 will participate in 4 modified events.

There will be a meal deal and small selection of items to buy on the day. Meal deal details to follow soon.

Remember to bring a chair and cross your fingers for a great day.

Caffey Sport Forms

All students have received a letter regarding Caffey Athletics Carnival Transport. Please return the form to school by 28th July so we know if we need to book a bus for the day. Please note that this carnival is over 2 days, with the first day being 9-13 years only.

School Opinion Survey

All parents are invited to participate in this year’s School Opinion Survey and have your say about what our school does well, and how it can improve.

Participation in the survey is anonymous and all information that you provide will be treated confidentially.

The on-line survey will be available until 3rd August and should take no longer than 10 minutes to complete.

Access to the survey is via a link on the parent form attached to this newsletter. There will be a computer in the library for the convenience of parents if required.

**SWPBS News**

On Wednesday 30th July, (9-9:45) we are having a very special visit from the **NED Show**. This is a 45 min presentation to our students which combines a positive message about resilience with humour, storytelling, audience participation and YO-YO tricks!

Our expectation that students focus on being and increasing their resilience, will be enhanced by this performance. I have included with this week’s newsletter a parent letter about the NED Show.

This performance comes free to us with the expectation that we offer some Yo-Yos for sale over the 5 days after the performance. Prices and order forms are supplied, with an explanation as to how this assists the NED Show to share their message to other schools.

**Year 6/7 Camp**

There has been a lot of indecision about the annual Tallebudgera camp. This has mainly occurred due to increased numbers from the smaller schools we share this event with. As a result, we stepped back, with the intention of organising our own camp. As things have turned out, the interest from the smaller schools has not been as great as expected and we are now required to attend to make up the numbers and fulfil our booking.

So, with today’s newsletter I have included a letter about the camp and a response sheet so we can get an estimate of numbers from our school.

Costs are outlined and some ways of reducing those costs have been suggested. I stress, that if your family is suffering financial hardship, please approach me to discuss one further option I have available for families in need. This is a great activity and a perfect way of celebrating the end of primary school for all the students involved.

**Kids Matter News**

Did you know MCSS has a Super Hero?

You didn’t? Well, we do but he doesn’t have a name.

What would you name him?

Competition to name him coming soon!
