Fantastic Effort

I just wanted to thank the P&C and all of the volunteer helpers who made the 6th annual Murphys Creek Trail Bike Ride a reality. Not even a ’significant weather event’ could stop the ride from being a success.

Thank you also to the students who came and worked in the dining hall, cleaning and tidying. Your effort was amazing and your energy boundless.

Swimming Starts Monday!

You are reminded that our eight swimming lessons start this Monday. Some things that you will need to consider:

• Please assist your child to pack their swimming bag including the following items—swimmers, towels, plastic bag (for wet clothing and towel), swimming cap, goggles.

• Do not send children with their togs under their uniform as this can complicate toileting routines. We will allow the students time to change and give assistance if required.

• The pool has said that they have no problems with the boys swimming in board shorts, as long as they are aware they may feel “heavier” in the water due to the extra clothing creating a drag effect as they swim.

• Remember to pay the swimming fee as soon as you can manage it.

• Pack extra food because swimming makes kids HUNGRY!

If you have a child born between 1 July 2009 to 30 June 2010 We would like to invite you to attend our Murphys Creek State School Prep Try days. The aim of these days are to help you & your child to see; The quality teaching and learning opportunities we offer, our resources and facilities, the caring and respectful environment we foster. Day 1 is on 27th August, 9-11 am. See the school office for details.

Body Snatcher®
Let us introduce Body Snatcher, he makes
peoples bodies walk away from others. It
makes others feel worried and confused be-
cause it is unexpected behaviour.

You can combat the Body Snatcher by using
your eyes to engage with others around you,
do some self-talk about where you should be,
point your shoulders into the group so you
have a place.
