Decorated with gum leaves and hay bales, the Murphys Creek School Community came alive on Wednesday night as we had our annual Bush Dance. The dance was a culmination of the students learning some bush dances and also the chance for the students to celebrate reaching a challenging good behaviour goal. Their reward was a very sought after snow cone machine for the night! Many people need to be thanked for helping to put this event together: Trish Shepherd and her wonderful partner Adrian, for supplying the trees and hay, Karen Rose and her family for making the meals just amazing, my dedicated staff, who all stayed back to assist with the proceedings and of course the families who attended, making the night so much fun.

Our student’s of the week for week 10 are Ironbark, Rueben, Tayla. Lucky High-5 winner’s are Tamorah, Emma and Rockey. Being championed this week we have Caitlyn and Reegan and our KidsMatter badge recipient is Juanita. Well done to you all!
Playgroup
9am each Monday during the school term
Bring a hat, water bottle & a snack.
All Welcome!

Make every day count in 2014
Our Goal 95% attendance
This week is a 93.2%
Attendance week!

Let us introduce “The Space invader”—he tries to break the rules of personal space.

Murphy Man helps us to stop ‘The Space Invader’ by remembering the one-arm rule and measuring a polite distance between people. We also know that we have to be aware of who is around us and read the clues people give us if we are too close. We all have our own brakes and we need to stop before we go into other people’s space.
